

Open House 1: Come In!, , , 1998, 80 pages, Norman Whitney, 0194358429, 9780194358422, Oxford University Press, 1998

Open House is an exciting course in American English, designed for young adolescents. It is flexible enough to cater to true beginners and false beginners alike, and provides students with the fundamentals of intermediate English. Key features: Lively and topical content provides insight into people and places from around the world. A different photostory at each level features young adolescents in age-appropriate, real-life situations. A thorough grounding in language structures combines with a modern communicative approach to give students confidence and make learning lively and enjoyable. Abundant and meaningful practice material reinforces language and skills at every stage of learning. Treatment of the four skills-reading, writing, listening, and speaking-gives students a balanced view of the language from the very beginning. Many additional activities, projects, and songs in the Student Book motivate students to use the language in a wider context. Let's Get Ready at the beginning of this Student Book provides a firm grounding in the basics or an excellent opportunity for review. Each level comprises a Student Book, a Workbook, an Audio Cassette, and a Teacher's Book.
